Dear Muwaffaq,

Your final attestation includes **the state exam and the defense of your thesis.**

The state exam will take place **from May 25th to June 7th**
(approximate date - May 29)

The scientific qualification work defense will take place **from June 8th to July 6th.**
(approximate date - June 9)

The approved schedule with the date, time, and place will be provided later.

The state final certification is conducted in the form of:

- a state examination;
- a scientific report on the main results of the prepared scientific qualification work (thesis).

Dates	To do list
April 20th - April 25th	• the scientific report and the scientific qualification work should be submitted in printed form as a manuscript and in electronic format (<i>templates are attached</i>). A report for any unauthorized borrowing must be prepared so we kindly ask you to submit all documents on time. <i>Methodological recommendations for formatting the report and the scientific qualification work are attached to the letter.</i>
May 11th - May 15th	The following documents should be submitted to the state examination committee: • a Supervisor's review of the scientific report (<i>templates are attached</i>); • 2 reviews - internal and external (<i>templates are attached</i>); <u>A reviewer should meet the following requirements:</u> • have a degree (a doctoral or a candidate of sciences degree, or an academic degree obtained in a foreign country recognized in the Russian Federation); • have publications in the relevant field of study within the framework of the scientific specialty. an internal reviewer is appointed from among persons who are employees of the University.

	An external reviewer is appointed from among persons who are not: - employees of the University - co-authors of published works on the topic of the dissertation - persons who may have a conflict of interest when evaluating the scientific report.
May 25th - June 7th	State Exam • the examination is conducted in an oral form; • the state examination ticket contains 5 questions from the approved list of state examination questions (the list of questions is attached). 1. Selection of the ticket. The right to choose a state examination ticket is granted once. 2. Oral response to the questions from the state examination ticket. Students prepare their answers to the questions from the state examination tickets, respond to them, answer the committee's questions.
June 8th - July 6th	• presentation of the scientific report on the main results of the prepared scientific qualification work (dissertation).
